By David Norman

The highest scratch game last week was the 287 rolled by Derian Koszenski on Monday's Galaxy Cash League. In a tie for the second-high game of the week, Matt Cracraft bowled 279 during the Cash League as well, while Wayne Eagle had his 279 game in Thursday's Outcasts League.

Kenny Kysar led all bowlers last week in series, putting up an impressive 754 score. Matt Cracraft had the next highest series among all leagues with his 744 series in Monday's Cash League.

Galaxy Bowling Center will be hosting a no-tap tournament this Sunday at 1 PM. All proceeds from this event will go to benefit the local chapter of the March of Dimes.
